

NOTICE OF RATE INCREASE

The North Runnels Water Supply Corporation Board of Directors held a Monthly board meeting on August 9, 2017 and voted to increase the cost per thousand gallons of water and minimum usages.

The suppliers of water to the Corporation have increased rates and to maintain our financial stability, the Board feels we must pass those increases on to the users of the water.

Billings. The new rates will take effect and be reflected with the October 2017 billings. The rate change is as follows;

Monthly minimum billing per meter: \$47.00 per month

The cost per thousand gallons of water will increase to \$15.50

For more information about the rate increase, please contact the corporation at 325-754-5000 or in person at our main office location at, 1020 North Main Street, Winters, TX.
